1:00 – 3:00 : Jr Pumpkin Queen “Pumpkin Olympics”

4:00 – Halloween Costume Contest

5:00 Royalty Costume Contest (all ages)

Sunday

Noon: All contestants must check-in, points tallied.

12:30 Crowning of Pumpkin Royalty – the winners should stay through the buck off and will hand out trophies / have pictures taken with the winners.

Tokens (poker chips)

The tokens will be given to the people who are in charge of each of your activities. The pumpkin queen contestants will need to get a token for each activity they participate in. For example – the person taking money at the pony ring will give them a token if they lead a pony for 10 minutes, the tractor driver will give them a token if they go on a hayride, etc. They can do each activity as many times as they want all day long – including haunted hayride.
